Jim Johnston Memorial Ride Dedication Form

The Jim Johnston Memorial Bike Ride would be proud to honor the lives of those killed in cycling related traffic crashes with our Memorial Miles dedication. We will create a large printed board for each honored cyclist that includes a photo, their birth/death dates, and a personal message of your choice. The boards will be displayed on the day of the ride. We ride for the men and women who died doing what they loved.....cycling.

Thank you for honoring us with the opportunity to remember a person you love.
