

**GREAT PLAINS BICYCLING CLUB  
BIKE ACCESSORY DISCOUNT PROGRAM  
MEMBERSHIP CARDS**

Enclosed is your membership card to the Great Plains Bicycling Club ("GPBC"). We are sending this so that you can use it right away in our discount program with Lincoln and Omaha area bike shops. **Please retain this card; presentation of your unexpired membership card is a requirement to receive the discount described below.**

The participating bike shops and bike retailers, listed below, will give GPBC members a 10% discount on bike accessories as more fully described below upon presentation of a valid membership card. The discount is available on accessories purchased at participating bike shops (and in the bike department of the participating retailer). This excludes bicycles, labor charges, repair parts and any accessories which are clearly marked as sale items or which are subject to another store discount. So long as you maintain your membership – up for renewal on March 1 of each year – and the bike shops agree to participate – you will have the benefit of membership. We reserve the right to suspend or discontinue the program at any time.

The discount is currently available at the following shops:
